

AESCULUS HIPPOCASTANUM

Horse chestnut
Hippocastanaceae

Hemorrhoids

Prickling pain «like a pin cushion» in the rectum.
Hemorrhoids that do not bleed much.

Aggravation:

- from anything that increases venous congestion:
 - heat (except for superficial pain),
 - standing,
- during sleep and on waking.

Improvement:

- from anything that facilitates circulation:
 - cold,
 - moderate and prolonged exercise.
